

# Freddie's Flowers

**Title:** Finance Manager  
**Team:** 1 x Finance assistant  
**Base:** Earlsfield  
**Salary:** Subject to experience

Freddie's Flowers have an exciting opportunity for a Financial Manager to join our friendly and fast growing company.

Freddie's Flowers began 4 years ago with Freddie Garland, packing boxes in his parents' garden and delivering to customers on his milk float. Today we have 60,000 customers across the UK and have been featured in The Sunday Times Fast Track 100 "One's to Watch".

As our company grows, so does the need to invest in new people to help us continue with our ambitions.

## Summary of role

The role of the Finance Manager will be to support the Financial controller in managing all financial aspects across the company. This will involve preparing periodic reports tracking results and performance in a timely manner, forecast modelling and bespoke analysis. The role will require a qualified accountant ideally with retail, subscription or online business experience.

For the right person, this should be a really exciting opportunity to join a finance function in a rapidly growing business with plenty of scope for further development at the business expands.

# Freddie's Flowers
